

Definitions of Citizenship

- “Citizenship is the status of being a citizen, which includes the rights, duties, and privileges of being a member of a particular nation or state.” – **Merriam-Webster Dictionary**
- “Citizenship involves not only a legal status but also participation in a community, where individuals engage in civil, political, and social rights within the context of their society.” - **Bryan S. Turner** (Sociologist and Citizenship Theorist)
- “Citizenship is defined as the link between an individual and a state, where the individual is recognized as a subject of that state with rights and duties.” - **UNESCO**

Definitions of Civic Engagement

- “Civic engagement is a broad set of practices and attitudes that promote active participation in community life, addressing public issues, and working towards the common good.”- **Nancy Thomas** (Scholar of Civic Learning and Democratic Engagements)
- In “Democracy in America” (1835), Tocqueville explored civic engagement as “the active participation of citizens in public affairs and communal activities.” He highlighted how such engagement helps to maintain democracy and foster a sense of shared responsibility. – **Alexis de Tocqueville**
- In her writings, such as “The Spirit of Youth and the City Streets” (1909), Addams described civic engagement as “an active involvement in social reform and community service.” She emphasized the role of individuals in addressing social issues and improving community conditions through direct action and advocacy. – **Jane Addams**
